

# Orthocloud

Ideal for ultra-sensitive feet, impaired circulation, impaired sensation, diabetic feet, arthritis and swollen/achy feet

## Orthocloud features

- double-cushion sole provides extra padding to protect the entire bottom of the foot, including heel and toes
  - seamless toe eliminates irritating toe seam
  - double compression band provides very gentle forefoot compression and prevents wrinkling
- Coolmax fibers wick moisture away from the skin, keeping feet dry
  - recommended for diabetic feet
